Culturally competent, diverse workforce
Compassionate, knowledgeable care

- ✿ Founded in 2016, CHW Solutions is a women-owned business dedicated to developing sustainable models for Community Health Worker (CHW) Services.
- ✿ Founded in 2016, CHW Solutions is a women-owned business dedicated to developing sustainable models for Community Health Worker (CHW) Services.
- ✿ We deliver CHW services directly, pairing patients with certificate-holding CHWs to improve health outcomes.
- ✿ The CHW Solutions Team provides technical assistance and consulting services to organizations starting or expanding their own CHW teams.
- ✿ We guide your organization in billing insurance for CHW services, or handle your billing for you.
- ✿ To test and refine your approach, we partner with you to incubate and pilot your innovative CHW service ideas.
- ✿ We match our patient's language and culture with our CHWs whenever possible, and engage interpreters when needed.

OUR PHILOSOPHY

- ✿ CHWs are an important part of patients' circle of care to prevent and manage health issues.
- ✿ CHWs should be well-trained, follow best practices, and be culturally connected to their service community.
- ✿ CHWs help patients by reducing identified risk factors, eliminating barriers to health care, and connecting patients with needed resources.
- ✿ CHWs providing health education and addressing patients' health-related social needs removes obstacles, improves outcomes and reduces costs.
